

## **Global Environmental, Health, Safety & Sustainability**

Nanometrics utilizes environmental, health and safety systems to comply with applicable laws and regulations and other standards to which we subscribe. Our executives and managers are held accountable for operating the business in a safe and environmentally sound manner.

At Nanometrics, we believe being a good corporate citizen is just good business.

A handwritten signature in black ink, appearing to read 'Bruce Crawford', with a long horizontal flourish extending to the right.

Bruce Crawford  
Chief Operating Officer
